The use of intemperate language

either in the columns of a newspaper or

elsewhere is proof that some one is either unduly excited or has lest self possession. Strong language does not generally constitute argument, but sometimes under the weight of extraordinary provocation it may be excused. Nothing can be more cowardly and contemptible than to attack or "slur" a man when he is not present to defend himself. The language of the Courier or of some one connected with it, sought to convey the idea that Ex Gov. Tritle had been guilty of some wrong and to escape responsibility therefor had "unexpectedly slid out." Whoever used the language knew at the time that he was uttering or insinuating a base calumny and his remarks called for the very strongest language in condemnation. "The Courier made an inquiry concern-"ing the contract with Clark's Asylum, "and was told just what he wrote, be-"lieved the information correct, &c. . . The Courier is requested to state who informed him that the official authorized. | patience. to make contracts "unexpectedly slid out." If the language did not originate with the editor of the Courier

we hereby transfer the epithets used yesterday to whoever will assume respon- full of empty assertions, generalities and sibility for the language quoted. Ex-Gov. Tritle appointed Messrs. Lincoln, Stewart and Hatch as Asylum Directors, and there his connection with asylum matters ended. Dragging him into the present embroglio can only be superinduced by envious malice, and as to being "better" than be, the parties who assail him are not worthy of having their names mentioned the same day with his | Bosh! His party will no doubt swallow We hereby give notice that we will resent his gratuitous advice and accept his leadwith every means at our command, not temporarily but permanently, any insults aimed at ourselves or our friends. This statement is made without reserve, and the sooner the system of malicious snapping and snarling at people, which seems We de not know whether any con-
